## **PARKING OPTIONS**

1. Parking in Cheap Street, if any spaces available, is free for one hour maximum. Additionally there are free public spaces for up to 4 hours at the back of the premises, down Kings Road West (past office towards station and 1<sup>st</sup> left); however, they are likely to be full unless you arrive at the beginning or end of the normal working day.
2. Pay and Display car park at Market Street (next to Bus Station) approx £1 per hour (max 10 hours). It is a 1 minute walk to the office.
3. If you have shopping to do at Sainsbury's, you can park for a maximum of 3 hours. It is a 2 minute walk to the office. From here you will need to cross over the A339 dual carriageway at the pelican crossing, and walk into the private car park at Thomas Eggar (a new brick building with blue windows). At the rear of this building you will see a small raised parking area surrounded by grey metal barriers. The back door to 47 Cheap St (unmarked) is accessed via this parking area. Or you can walk through the alley way to the left hand side of this parking area, to access Cheap St and to the front door.
